Subject: The 2004/05-2009/10 Draft Regional Transportation Improvement Program (Draft 2004 RTIP)

Attached are the *Draft 2004 Regional Transportation Improvement Program* documents for your review and comment. The review period for the *Draft 2004 RTIP* begins on June 18, 2004 and concludes on July 19, 2004. The Draft RTIP reports are: The *Draft Executive Summary*, the *Draft List of Projects*, and the *Draft Technical Appendix*. The *Draft List of Projects* includes a breakdown by county of projects for state highways, local highways, and transit projects. The *Draft Technical Appendix* includes the federally required conformity analysis and findings for the SCAG region.

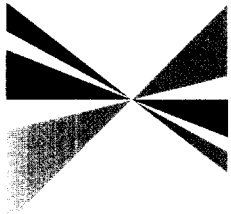

On June 7, 2004, the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) in a joint letter, issued a conformity determination for SCAG's 2004 Regional Transportation Plan (RTP) in all non-attainment and maintenance areas with the exception of the Ventura County and Southeast Desert ozone areas. On June 16, 2004, the federal agencies determined conformity of the 2004 RTP for Ventura County and Southeast Desert.

The Draft 2004 RTIP implements the fiscal years of 2004/05-2009/10 of the 2004 RTP.

Public hearings on the Draft 2004 RTIP will be held throughout the SCAG region during the month of June and July. Information on the public hearings will be posted on SCAG's web page (www.scag.ca.gov). The schedule for completion of the 2004 RTIP process is as follows:
